

WHOLESALE TRADE - NON-DURABLES

MOST CITED STANDARDS FOR WHOLESALE TRADE - NONDURABLES JANUARY 1, 2001 TO DECEMBER 31, 2001

RANK	STANDARDS CITED		NUMBER
1	1910.305(b)	Conductors entering boxes, cabinets, or fittings were not protected from abrasion, and openings through which conductors entered were not effectively closed . All pull boxes, junction boxes, and fittings were not provided with covers approved for the purpose.	21
2	1910.178	This section applies to the requirements for powered industrial trucks .	18
3	1910.305(g)	Flexible cords were used as a substitute for fixed wiring where not permitted. Flexible cords were not connected to devices and fittings so that strain relief was provided, which would have prevented pull from being transmitted to joints.	16
4	1910.157	The requirements of this section apply to the placement, use, maintenance, and testing of portable fire extinguishers provided for the employees' use.	15
5	72-3	This section applies to guarding floor and wall openings and requirements for the protection of floor openings. Railings, toe boards, and cover specifications are included. Training requirements are also included.	13
6	1910.303(g)	Sufficient access and working space was not provided and maintained about all electrical equipment to permit ready and safe operation and maintenance of such equipment. Live parts of electrical equipment were not guarded .	12
